## Business Profile

UK Broadband Limited provides wireless data capacity, equipment, services and solutions to the telecoms industry, service providers, channel partners and the public sector.

As well as 4G LTE and wireless solutions, we provide a range of wireless products. For more information about our wireless products please visit: [www.ukbdistribution.com](http://www.ukbdistribution.com).

UK Broadband is a wholly owned subsidiary of [PCCW Limited](#) (PCCW), the holding company of HKT Group Holdings Limited, Hong Kong's premier telecommunications provider and a world-class player in Information and Communications Technologies (ICT). Employing approximately 18,700 staff, the Group is headquartered in Hong Kong and maintains a presence in Europe, the Middle East, Africa, the Americas, mainland China and other parts of Asia.

As the provider of Hong Kong's first quadruple play experience, PCCW offers a range of innovative media content and services across four platforms: fixed-line, broadband Internet access, TV and mobile. In addition, the Group meets the sophisticated needs of the local and international business community, while supporting network operators with cutting-edge technical services and handling large-scale IT outsourcing projects for public and private sector organisations.
